- Interactive formats
  - Ecodesign Network workshop
  - guided tour on Life Cycle Management
  - Life cycle market place and tool café
- Networking
  - long coffee breaks and LC market place
  - good atmosphere
  - many contacts industry-academia-consultants
  - nice to have a forum for meeting Nordic colleagues again
- Parallel sessions
  - always something interesting
  - sometimes too much interesting (conflicts of overlap)

NORLCA Nordic Life Cycle Association

Observations of the board

- Session topics
  - interesting but some sessions too heterogeneous

NORLCA Nordic Life Cycle Association

Observations of the board

- Session topics
  - interesting but some sessions too heterogeneous
- SME participation
  - absent
  - idea to have half day on SME-relevant topic (e.g. Building sector) to attract local SMEs
  - active efforts by board members to invite SMEs
